

# BLUEHAIR TECHNOLOGY TECHNOLOGY AMBASSADOR ROLE

---

- Arrive 10 minutes prior to start of class
- Introduce yourself to the instructor and to the students
- Throughout the class, observe the students and their ability to keep up with the material. Please do not sit or help only one student
- Step in immediately when a student needs help
- Stay on course topic – please do not provide advice beyond what is being taught
- Do not talk when the instructor is talking; politely inform the student to turn their attention back to the instructor
- Politely alert the instructor if you notice that a large majority of students have fallen behind
- If the instructor is speaking too softly, gesture with your hand cupping the ear to quietly get the instructor's attention
- If possible, plan to stay 10 to 15 minutes after class to answer student questions
